## **Subject: Regarding construction of temporary class rooms**

To

The Chairman,

According to the above subject, this is to inform you that the physical structure of this higher secondary school was fully damaged by massive earthquake on 2072 Baisakh 12 B.S.( April 25, 2015 A.D.) having big problem to conduct the classes, therefore to make easier for the education purpose, the application has been submitted to provide aid to construct the temporary class rooms with the following details.

Following

1) Total number of temporary rooms required = 8

2) Total cost

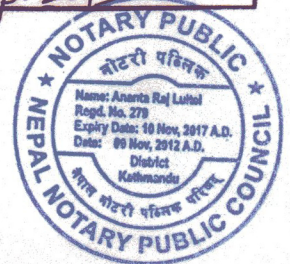

|                                    |                    |
|------------------------------------|--------------------|
| - Tin per room = 4 bundle X 9500 = | 38,000.00          |
| - Wages of fitter/mechanic         | = 17,500.00        |
| - Lumber wood                      | = 25,000.00        |
| <b>Total</b>                       | <b>= 80,500.00</b> |

Net Cost = 80,500.00X8 = 644,000.00

Load, unload (labor), nails = 28,000.00

**Total Net Cost = 672,000.00**
